

Greetings from the

On behalf of the Board of Fire Commissioners of the Lealman Fire District, I wish to take this opportunity to thank you for the trust you have placed with us. We look forward to a long and healthy relationship with the residents and businesses within the Tierra Verde Fire District.

With only 50 days until the October 1st transition, I can assure you that our staff is busy working on all the details, big and small, that goes along with this new mission.

Your Tierra Verde Fire District firefighters will be very active in the community! Please take a moment to read through this flyer and fill out the response card.

During the transition, if you have any questions or concerns, please feel free to contact me at (727) 526-5650, ext. 225 or by email at 100@lealmanfire.com. Again, thank you for the trust you have placed with the Lealman Fire District and I look forward to getting to know you.

Respectfully,

Richard E. Graham, Fire Chief

Tierra Verde Fire District Logo Contest

We believe that a community's identity is vital to creating a strong community. While the Lealman Fire District will be managing the Fire Station, it is your Fire District! In order to help create the identity, all the vehicles, uniforms, etc. will bear the logo of the Tierra Verde Fire District.

Are you artistic? We are conducting a contest to design the new Tierra Verde Fire District Logo. Please submit your full-color design in a jpeg format to Lt. Jim Millican at jmillican@lealmanfire.com by Friday, September 4th. A committee will be established to select the winning design. The winner will receive a \$100 VISA Gift Card. If you have any questions, please contact Lt. Millican at (727) 526-5650, ext. 549.

Community Emergency Response Team
 The Lealman Fire District will be offering the **COMMUNITY EMERGENCY RESPONSE TEAM (CERT)** Course in a weekend format

The CERT course offers basic training to members of the community to prepare them to react safely when a disaster strikes. This 2-day course was designed and is supported by the United States Department of Homeland Security. Members of the CERT team assist first responders during times of disaster and throughout the year by promoting preparedness in their neighborhoods. Increase your disaster awareness level; join CERT.
